

HUNAB KU 21

52 PATHS OF TOLLAN

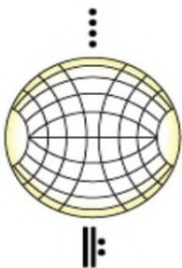

52 Heptad Path Frequencies
52 heptads of the Annual 13 Moon Cycle

4th TIME LENS

288

"Ultimate Sphere"

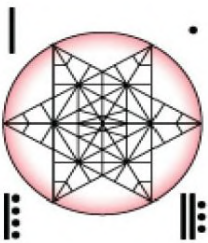

Time Template Sphere of the Harmonic of Polar Light
3rd Dimensional Mind Pulsar

Sum frequency of 3-D mind pulsar = 6912
= 24 x 288 = 108 x 64;
Stabilizing frequency of universal polar harmonic establishes Velitropa sector as base for generation of enlightened seed forms of galactic time travel.

1st TIME LENS

108

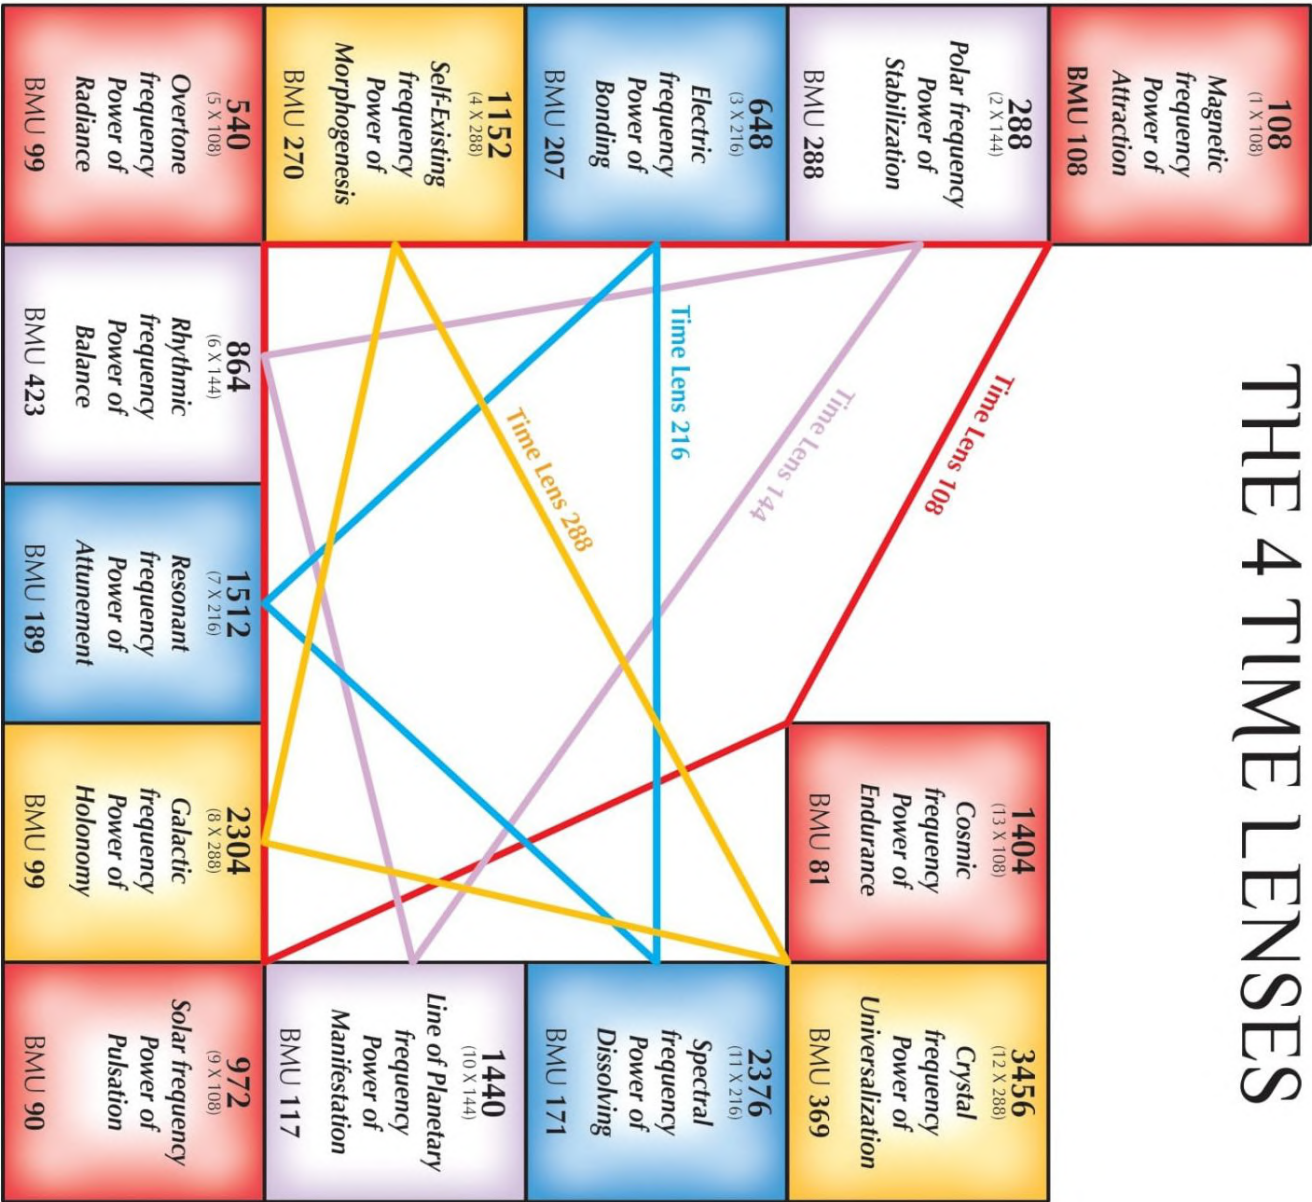

"Cosmic Standard"

Time Template of the Star Mind

4th Dimensional Time Pulsar
Sum frequency of 4-D time pulsar = 3024 = 28 x 108;
Harmonic timing standard established as star template of galactic mind.

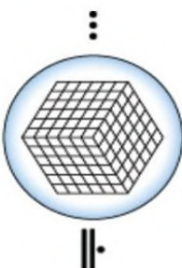

THE 4 TIME LENSES

3rd TIME LENS

216

"Cosmic Cube"

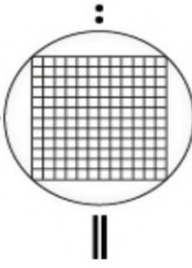

Time Template of the Primal Cube
2nd Dimensional Sense Pulsar

Sum frequency of 2-D sense pulsar = 4536 = 216 (cube matrix) x 21 (power of unity of Hunab Ku);
Cube of time space matrix becomes ark of cosmic evolution realized as sensory spectrum of galactic order of being.

2nd TIME LENS

144

"Cosmic Harmonic"

Time Template Foundation of TOLLAN (New Jerusalem)
1st Dimensional Life Pulsar

Sum frequency of 1-D life pulsar = 2592 = 144 x 18;
18-dimensional universe frequency of architecture of galactic life – foundation of Tollan.
